CONDITIONS OF SALE

The property described in the catalogue will be offered for sale subject to the following terms and conditions:

1. The term "Galleries", as used in this catalogue, shall be deemed to refer to Hans. M. F. Schulman.
2. The description of the property in this catalogue is based on information and sources believed by the Galleries to be correct and reliable. The Galleries has exercised reasonable care and diligence in the preparation thereof. The property described herein shall be sold by lot in accordance with numeration in the catalogue.
3. Each lot shall be sold in an amount equal to the highest bid accepted by the auctioneer. In the event identical bids shall be received by mail, the bid received earliest shall be given priority. In the event of dispute concerning bids, the auctioneer shall exercise his reasonable discretion and his decision shall be final. If the auctioneer is unable to decide, the lot in dispute may be reoffered for sale.
4. Bids not commensurate with the reasonable value of the lot offered, in the opinion of the auctioneer, or which, in the sole discretion of the auctioneer, may tend to impede or otherwise prejudice the sale of the lot offered, may be rejected by the auctioneer.
5. Upon the successful bid, the buyer will give his name and address to the Galleries and shall pay the purchase price in funds of the United States of America, or such amount as shall be required by the Galleries. Sale and Excise Taxes shall be for the account of the buyer.
6. Upon a buyer's failure to comply with any of the Conditions of Sale as set forth herein, the auctioneer may, but shall not be required to, reoffer the lot for sale.
7. Title will pass to buyer upon the fall of the auctioneer's hammer and, thereafter, will be held for the buyer's risk and account.
8. Lots bought and paid for in full will be removed by the buyer at his own expense within 6 days following the sale, after which time the Galleries may deliver the lot to a warehouse for the account and risk of the buyer. In the event payment shall not have been made in full, and no special credit arrangements have been made, the Galleries either may cancel the sale and apply the amount paid as liquidated damages or it may resell the same, without notice to the buyer, for his account or risk, the buyer remaining liable for any deficiency.
9. In the event the Galleries is unable to deliver a lot, as described, the sale may be annulled and the amount theretofore paid shall be returned to the buyer.
10. Permission is reserved to consignors to bid.
11. Bids may be submitted to the Galleries for execution, without charge for its services, subject to the terms and conditions of the sale. Such bids shall be accompanied by a deposit of 25% of the amount to be bid, unless credit arrangements theretofore have been made between the Galleries and the bidder. The Galleries may decline, in its sole discretion, to accept any bid and shall not be obligated for failure to accept or execute a bid for any reason. Bidders are requested to designate clearly the respective lot numbers, descriptions and amounts bid.
12. Estimates are given for the convenience of bidders and represent the amounts the Galleries reasonably believes will represent current market value. The Galleries assumes no obligation to any party for such estimates.
13. The Galleries will cooperate with packers or carriers acting on behalf of buyers, but assumes no liability for the acts of the same.
14. The Conditions of Sale set forth herein may not be changed, revoked or waived unless such change, revocation or waiver shall be in writing and signed by the Galleries, or by public announcement by the auctioneer at the sale.
